On Wednesday 13.3.13 Isla sat at the puzzle table and selected the farm inset puzzle. Isla removed 2 pieces
both her left and right hand. When the piece didn't fit into the inset Isla rotated the piece until it did.

Hello parents!

What is Kinderloop?

Kinderloop provides a safe and secure way for child care providers to share information with parents, through real-time updates. Kinderloop is secure and private, and photos are only shared with invited family members and staf.

Please sign me up to Kinderloop

I, _____ [name in print] agree to have

the image of my child[ren] _____ [name in print] captured by staf

for the purpose of secure parent communication using Kinderloop.

I agree to not share these images on social media.

Signed by parent / guardian: _____ Date _____

Parent / guardian's email address: _____

Please also securely invite these family members via email:

1. _____ 2. _____

3. _____ 4. _____

Please give a signed copy back to your care provider.

The benefits

- **It's secure and private**. Your data will be accessible only by you and the family members you invite
- Use **smart devices to capture news**, events, photos and reminders as they happen without being tied to a clipboard or computer
- You'll receive photos, news and reminders from your preschool **on your phones** or computers
- Helps develop and maintain a **positive and constructive relationship** with your child's educators
- You can **continue the learning** with your children at home
- **Securely m[illegible]**
